To Whom It May Concern:

I have known Marilyn Schmid for many years as both an active community member and a volunteer at Malow Junior High School.

Marilyn served as Coordinator for Malow's Destination Imagination Team for six years before her children moved on to Eisenhower where she remained active in DI through last school year. As coordinator she organized teams, coaches and activities. Marilyn was also responsible for all aspects of competition, paperwork and travel when Malow's teams competed in District, State and National Tournaments.

Mrs. Schmid coached Malow's Rocks and Minerals Science Olympiad team for three years. One of those years she coached her team to a National Championship!

I worked closely with Marilyn for three years as she assisted me with Builders Club activities. The fourth year of her involvement, Mrs. Schmid lead the Club when I was forced to step down as Club Sponsor due to staffing cuts. She organized activities and kept Club members actively involved in many community service projects. Due to her volunteer efforts as Builders Club sponsor, she was named an Honorary Kiwanian by the Shelby Day-Breakers Kiwanis Club.

Mrs. Schmid has a history of serving her community and Utica Community Schools. She is organized, loves to be challenged, always smiling, friendly, and courteous. Her goal is always to do what is best for students! I truly believe Marilyn Schmid would be an exemplary employee.

Sincerely,

Kathleen S. Maas
Administrative Assistant
